To Whom It May Concern:

The Northeast Tennessee Beef Expo is held annually to help producers increase and maximize their profit potential from beef cattle. The beef cattle industry is an important part of Tennessee's economy.

This year's Northeast Tennessee Beef Expo will be held on Thursday, October 16, 2025 at the UT Research and Education Center in Greeneville, Tennessee. In previous years we have welcomed participants from Tennessee, Southwest Virginia, Eastern Kentucky and Western North Carolina. Last year, over 400 producers attended the event.

If you are interested in becoming an exhibitor/sponsor, please complete the enclosed registration form. You may participate in this event by purchasing an exhibitor booth level.
